

POST THANKSGIVING SPORT & FITNESS HIKE

DEAD INDIAN CANYON /ART SMITH LOOP

FRIDAY: 11.29.2024 | 9:00 AM

DIFFICULTY: MODERATE

DISTANCE: 3 MILES | 700 FT ELEVATION GAIN

Meet at the fitness and tennis center. We will caravan from the club and park at the Art Smith Trail parking lot, across the street from the Santa Rosa Visitor Center in Palm Desert off Hwy 74.

The trail begins traversing over a sandy wash with uneven terrain. It continues with a short, but steep and rocky switchback climb. The hike plateaus at the top and then connects with the Art Smith trail. This lovely hike offers wonderful opportunities to see the endangered Bighorn Sheep, along with other local desert critters and vegetation.

Closed-toed shoes, hats, sunglasses and sunscreen are recommended.
Please hydrate the evening before, bring plenty of water, and dress in layers.
